PRODUCT DESCRIPTION

Our standard baseball fence has a 12'h backstop with a 4' overhang, 435' of Outfield Fence, and 160' of Baseline Fence down each side. The top edges have a protective guard rail so no one gets hurt jumping for a fly ball. We can work with you to adjust our basic package to your budget and needs.

A 12' high backstop starts at under \$4,999 [Fully Installed](#). Call [613-736-1122](tel:613-736-1122) for more details.
