PRODUCT DESCRIPTION

The Grand Brookdale is the same as a Rockcliffe Park but the privacy boards under the topper are horizontal.

"Concave" refers to the shape of the curve on top of the fence. If the the arc is higher in the center than at the posts it's convex. If the arc is lower in the center than at the posts it's concave.

Standard Vinyl/PVC Gates are priced at twice the price per foot of the matching fence style. For example, if a fence style is \$80/ft a matching gate will start at \$160/ft.
