3 pi, 4 pi, 5 pi

## **PRODUCT DESCRIPTION**

The Grand Charleston Style features semi-privacy picket spacing. The curving shape the pickets make along the top is called a scallop. It can be concave (like a smile) or convex (like a frown).

Standard Vinyl/PVC Gates are priced at twice the price per foot of the matching fence style. For example, if a fence style is \$60/ft a matching gate will start at \$120/ft.
