PRODUCT DESCRIPTION

Starting as low as \$209/foot [Fully Installed](#), the Grand Douglas features a scalloped topper over diagonal privacy boards.

"Concave" refers to the shape of the curve on top of the fence. If the the arc is higher in the center than at the posts it's convex. If the arc is lower in the center than at the posts it's concave.

The example shows a Grand Douglas with a concave scalloped picket topper and the alternating angles panel style.
