PRODUCT DESCRIPTION

Starting as low as \$169/foot [Fully Installed](#), the Grand Essex uses a highly detailed picket topper over our most ornate privacy fence. It's our most exquisite standard wood fence style.

The example above shows a concave scalloped Grand Essex which is stepped to grade, made of cedar with wrapped/fluted posts and Fence-All post caps.

"Concave" refers to the shape of the curve on top of the fence. If the the arc is higher in the center than at the posts it's convex. If the arc is lower in the center than at the posts it's concave.
