<b>Gate Types</b>	Walk, Double
<b>Steel Colours</b>	Choice of Colours
<b>Cane Bolt</b>	Industrial Cane Bolt

## **PRODUCT DESCRIPTION**

The example above shows a Hamilton Gate made of Cedar on a Metal Frame. The Wood/Metal combination is perfect for tough applications: A commercial garbage enclosure, for example, where snowplow trucks and heavy traffic are common.

Because of the large size, these gates typically include a cane bolt bracket for each gate leaf.

See the industrial gate hardware options listed below.
