PRODUCT DESCRIPTION

Any of our fences can be done as a neighbour group. If you and the folks in surrounding houses are looking to go in on a project together we suggest you designate one person to make an appointment (by phone or online) for a free estimate at a convenient date and time for the group. A Fence-All representative will come out, answer any questions, and suggest a plan for going forward.

Neighbour groups can be very straightforward or quite complicated depending on the products and the personalities involved. We have a great deal of experience (45+ years!) handling them and always look forward to seeing the beautiful results cooperation brings to a neighbourhood.
