PRODUCT DESCRIPTION

Scalloping your choice of Iron Style can be a low cost way of adding further decoration. Standard Iron Gates are priced at twice the price per foot of the matching fence style. For example, if a fence style is \$80/ft a matching gate will start at \$160/ft.

"Concave" refers to the shape of the curve on top of the gate. If the the arc is higher in the center than at the posts it's convex. If the arc is lower in the center than at the posts it's concave.
