#### PRODUCT DESCRIPTION

Add strength to select styles of wood fence. The Stittsville w/Lattice on PostMaster Steel Posts starts as low as \$149/foot Fully Installed. PostMaster Steel posts will remain visible from some angles, particularly on gate posts. Steel Posts have many benefits:

## Longevity:

Typically posts are the first structural component to wear in a wood fence. Steel Posts solve that problem.

### Strength:

PostMaster posts can handle more than double the usual maximum wind load on a fence.

## **Warranty:**

PostMaster posts include a 20 year manufacturer's warranty. Wood has none.

### **Cost of replacement:**

Years from now if the fence needs to be replaced it can be done without reposting. The savings will be substantial.
