PRODUCT DESCRIPTION

A Tube Gate won't stop visitors but it will control cars, trucks, bicycles, and larger farm animals. There is a wide choice of gate hardware available so the Tube Gate can be easily adapted to fit on almost any size or style of gate post.

Tube Gates only come in the widths listed (4', 6', 8', 10', 12', 14', 16', or 18'). Custom widths are not available.

12' wide starts as low as \$339 [Fully Installed](#) (posts and hardware extra).
