PRODUCT DESCRIPTION

Prices for Welded Gates start at \$229 [Fully Installed](#) (posts and hardware extra).

Any of our Residential Chain Link Gates or Pool Gates are available as custom welded. You can still take advantage of vinyl covered wire in your [choice of colour](#) along with the option for Powder Coating so the posts and fittings all match the mesh.

Welded gates have tighter corners than usual chain link gates. They work very well for homeowners with small pets. Prices will depend on the requirements of your particular job. Call [613-736-1122](tel:613-736-1122) for more details.
